## THE LEADERS FROM SEVEN ORGANISATIONS IN HUNGARY SIGNED A FRAMEWORK COOPERATION AGREEMENT TO CREATE THE CHANGEMAKERS YOUTH FORUM #CYF

On the 1st of September 2021, a significant milestone was achieved when seven organisations signed a Framework Cooperation Agreement to create the Changemakers Youth Forum in Budapest. The participating organisations recognise the importance of collaboration and they all share a common understanding of the need to actively promote youth engagement, youth participation and youth leadership. A signing ceremony was held in Budapest, and the event is symbolic of our collective commitment to empower young people on a much bigger scale.

The agreement was signed by the leaders of the GILE Foundation, Pact4Youth Hungary, V4SDG, ESN Hungary, International Diplomatic Student Association, AIESEC Hungary and Simonyi Károly Szakkollégium. Following the signing ceremony was a World Café session that related to The Conference on the Future of Europe and a networking event, where the members of the various organisations had the opportunity to network and break the ice for future collaborations.

The Changemakers Youth Forum will be held on October 15th and 16th. Its co-creation will be the first of its kind in Hungary and it is geared towards supporting university students, recent graduates and young professionals. There is an important need to discuss solutions to youth-related challenges, together with the youth, and we should provide young people with meaningful opportunities to share their views, interests, needs and ideas. The forum will integrate skills development workshops into the programme, and it will create a supportive community for Hungarian and international changemakers to come together.

If you wish to support our initiative to empower young people, as an official partner or sponsor of the forum, then please contact [communications@cyf.hu](mailto:communications@cyf.hu)

We hope to see you in October!

Sincerely,  
Changemakers Youth Forum
